# 2011 Corporate Partnership Program

The Village of Hanover Park invites businesses to become "Partners" working together to better serve the community.

## *The Corporate Partnership Program...*

is an annual program that provides local businesses and those businesses who work with the Village of Hanover Park an opportunity for community involvement.

Please review the programs the Village offers and consider becoming a Hanover Park Corporate Partner. If you would like to make a donation for any of these events or programs, your generosity would be greatly appreciated.
